Proposal Summary

Name / Title of Program or Activity:

Please describe the activities and / or organizational needs for which funds are being requested. In your description, please focus on what specific activities a Turrell Fund grant would enable. Please keep in mind [the mission, vision, and priorities of the Turrell Fund](#) as you describe your activities. If there is a Program Coordinator that is not the Primary Contact listed earlier, please include their name and role.(300 words maximum):

PLEASE NOTE: Applicants may request a grant for general operating support. Even in such a case, please describe the activities and goals your organization is committing to this cycle. Please also spell out all acronyms the first time they are used.

Describe as quantitatively as possible, the socioeconomic status of the children and families served by the specific program for which funding has been requested. (30 words maximum):

List and describe your project's measurable (1) child- and or family-specific outcomes and (2) systemic outcomes, if applicable.

Example of Child Outcomes: Kindergarten-readiness, reading on grade level at 3rd grade

Example of Family Outcomes: Financial stability, access to high-quality mental health services

Examples of Systemic Outcomes: Policy change that benefits families; improved service delivery system (health care, food, etc.)

Describe the measures, measurement tools, indicators, or evaluation methods you will use to show impact.

How does your organization address issues of poverty, systemic racism, or socioeconomic inequality through its work? What are the concrete strategies and actions through which you do so?

Systemic racism: Racism that is developed, maintained, and reinforced by public policies, institutional practices, cultural representations, and other norms.

Does your organization apply principles of diversity, equity, and inclusion (DEI) inside your organization and in your work? If so, how? Be as concrete as possible.

Definitions:

Diversity: Recognizing the importance of having at the table individuals with a wide range of perspectives and experiences based on differences in race, ethnicity, gender, sexuality, ability, social class, age, geography, and other social identifiers, for the purpose of making more informed decisions, especially in serving a diverse population.

Equity: Ensuring equal access to groups and individuals, taking into account that some groups historically have been denied access to educational and employment opportunities and, therefore, will require actions that compensate for the consequences of that discrimination.

Inclusion: Creating an environment in which all individuals are treated fairly and respectfully; are valued for their distinctive skills, experiences, and perspectives; and have equal access to resources and opportunities.

In 250 words or less, please tell us a story of how your program/project has directly impacted a child, caregiver or family.
