About the Turrell Fund

Vision and Mission

Societal Vision

That need will be eliminated as a barrier to the access of quality educational and developmental experiences by all children, and especially the youngest and their families, so that they may be prepared for academic and life success.

Organizational Vision

That access to quality educational and developmental opportunities will be assured for the children of the Turrell Fund's served areas, with an emphasis on the youngest, at-risk children and their families.

Organizational Mission

To financially and strategically support organizations which directly provide or foster the creation and delivery of quality developmental and educational services to at-risk children, especially the youngest and their families, in Vermont and designated areas of New Jersey.

History

The Turrell Fund was founded in 1935 by Herbert and Margaret Turrell. Herbert Turrell, a man burdened with an underprivileged childhood, a broken home and near-poverty translated his misfortune into devoted sympathy with and service to all young people facing challenges. The Turrells felt that the most important use for their wealth would be to give at-risk children the basic elements for success in life.

Turrell Today

Our priority is organizations serving young children ages zero to five which can present strong evidence of exceptional service quality and who have distinguished themselves along multiple dimensions. While we continue to fund direct services, times have changed and many parents are in

the workforce. We fund policy change because we recognize the importance of the early years and access to high-quality childcare.

Turrell Fund grants are awarded primarily to organizations located in Essex, Hudson, Passaic and Union Counties in New Jersey, and throughout the State of Vermont. In our grant decisions, the at-risk profile of the children served, and the ultimate reach and impact of our potential investments, are primary criteria.

Gifts and Bequests

The Turrell Fund accepts gifts and bequests in furtherance of the work described in our Vision and Mission Statements. We reserve the right to decline any gift which carries with it requirements that are not fully consistent with our stated purposes.

Interested parties are encouraged to contact the Turrell Fund.
